

What has changed since last renewal (2/28/23)

- 5/22/23 – first update after last renewal
 - 61G15-19.001 Grounds for Disciplinary Proceedings – deleted (6)(a) “Expressing an opinion publicly on an engineering subject without being informed as to the facts relating thereto and being competent to form a sound opinion thereupon;” from being defined as misconduct.
 - 61G15-32.005 Design of Gas Agent Fire Suppression Systems
 - 61G15-32.006 Design of Foam and Foam Water Fire Suppression Systems
 - 61G15-32.008 Design of Fire Alarms, Signaling Systems, and Control Systems
- 6/29/23 – second update
 - 61G15-20.0011 Structural Engineering Recognition Program For Professional Engineers
 - 61G15-32.004 Design of Water Based Fire Protection Systems
 - 61G15-32.007 Design of Dry Chemical and Miscellaneous Fire Suppression or Control Systems
- 8/30/23 – third update
 - 61G15-21.007 Re-examination; Additional Requirements After Third Failure
- 10/12/23 – fourth update
 - 61G15-19.004 Disciplinary Guidelines; Range of Penalties; Aggravating and Mitigating Circumstances – mostly reformatting of table. Some additions, some deletions.
- 12/18/23 – fifth update
 - 61G15-22.006 Demonstrating Compliance; Audits; Investigations – removes from the rules the requirement that the Board randomly audit a minimum of 3% of licensees.
- 1/30/24 – sixth update
 - 61G15-19.004 Disciplinary Guidelines; Range of Penalties; Aggravating and Mitigating Circumstances – statutory references added in (2) above table.
 - 61G15-20.002 Experience – In (1)(B)3. Removes text regarding “for the pursuit of a master’s or doctoral degree while obtaining full-time work experience.” Inserts requirement that a “full-time basis” for engineering education is 12 or more credit hours per semester. Less than 12 credit hours is considered “part-time enrollment.” Also added (3)(d) which limits the experience equivalent from part-time graduate enrollment while employed full-time to no more than 12 months of experience.
 - 61G15-22.001 Continuing Education Requirements – Updated requirements for continuing education related to the Florida Building Code.
