FS Chapter 471 (folder) – This contains the Florida Statute 471 from 2017, 2018, and 2019

Florida Laws and Rules Test.pdf – This is the Test form that must be completed and returned

Laws&Rules\_PDH\_Request\_Form.docx – PDH Request Form that must be completed and returned

LawsAndRules2020.pdf – PowerPoint notes pages for the PowerPoint slides of the presentation

Verify\_PDH\_Provider.mp4 – a follow-up video that shows how to verify your PDH provider

### **How to use this material:**

You may want to print the Test form before the session so that you can fill out the test while you watch the session. It may be helpful to print the notes pages beforehand if you wish to take notes while you watch the presentation.

After watching the video, complete the PDH request form and the Test and return both of them to me via email at [Larry@TrafficSafetyGuru.com](mailto:Larry@TrafficSafetyGuru.com). Then go to the website [www.TrafficSafetyGuru.com](http://www.TrafficSafetyGuru.com) and pay the \$5 PDH processing fee (you purchase the \$5 PDH processing fee in the Store). When I have received your PDH form, your test (you must score at least 80%), and your \$5 processing fee, I will send you your PDH certificate for the class.

PLEASE NOTE: I neglected in the presentation to cover how to verify your provider is a FBPE-approved provider. I have also included a short video that shows how to verify that I am an approved provider. This short video was taken prior to the last renewal cycle, but it shows you the steps to verify that I am an approved provider currently.
